

TECHARC 400 E

Techarc 400E is specially designed for MMA welding with all basic electrodes this series is suitable for working under harsh industry field, special inner structure with optimum dust/water protection to ensure the robust design and usage for welding.

Type Stick Welder	Process MMA/Lift Tig	Standard Equipment Power Source, Male connector 2 pcs.
-----------------------------	--------------------------------	--

Features

- ⚡ Hot start ignition
- ⚡ Wire remote control (optional)
- ⚡ Suitable for long distance welding
- ⚡ Adjustable arc force bring great performance for all position welding
- ⚡ Extra arc force current ensure deep penetration.
- ⚡ VRD Function available.
- ⚡ Digital display and heavy duty

Ordering Information

ART NO: 30WM-MMA-MM400E

Technical Data			
Input Voltage (V)	415V +/- 15%	Efficiency	89%
Input Capacity (KVA)	18	Cos φ	0.95
Input Current (A)	25	Protection Class	IP21S
Duty Cycle (40°)	60% @ 400 Amps	Insulation Class	H
OCV (V)	70	Dimension (mm)	540*275*510
Output Current Range (A)	20 - 400 Amps	Weight (Kg)	20

Optional Accessories

Earth Clamp

Cable Connector

Electrode Holder

Electrode Oven
